*"Because you have kept the word
 of My perseverance, I also will keep
 you from the hour of testing, that
 hour which is about to come upon
 the whole world, to test those who
 dwell on the earth. I AM COMING
 QUICKLY;" Revelation 3: 10-11a*

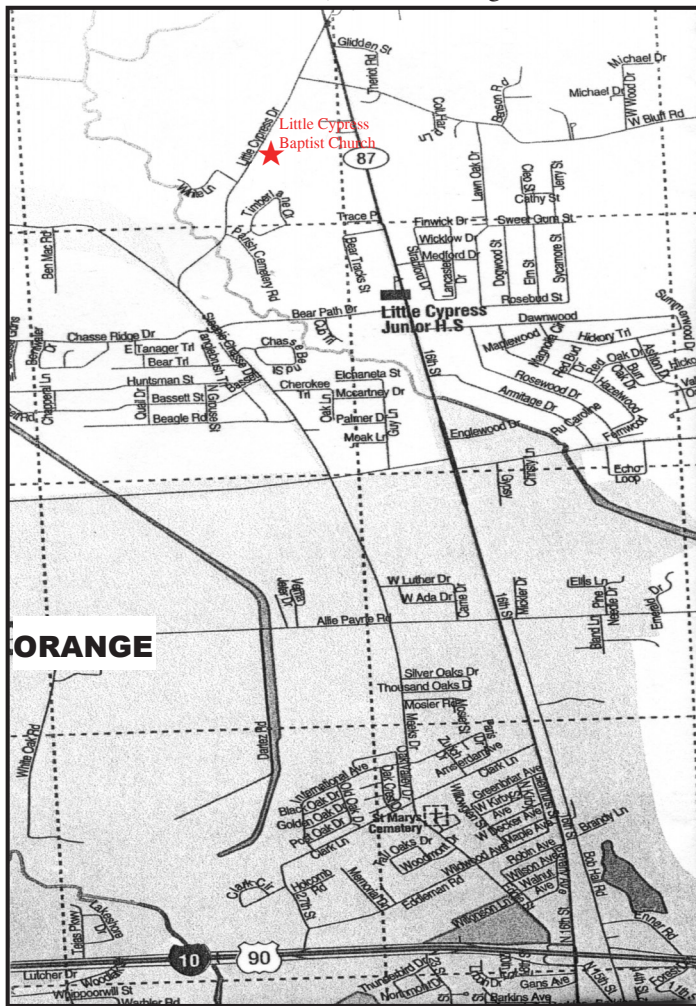

The writer of Hebrews said "...but in these last days he[God] has spoken to us by His Son..." (Heb 1:2), indicating that the time in history known as the "last days" started when Jesus began His earthly ministry some two thousand years ago. Since that time the days and years have been moving by, drawing us closer and closer to the return of Jesus. Today, there is a multitude of signs pointing to the nearness of the return of Jesus Christ and the "birth pangs" are closer together than ever before. If you were to chart these signs, the exponential curve is almost straight up in most cases. We hear these "signs" every day in the news and on the internet and can not help but wonder "Are we in the shadow of the Tribulation?"

In the Olivet Discourse (Matt. 24-25), Jesus gave us the signs to look for and even went on to declare about end times "...when ye shall see all these things, KNOW that it is near, even at the doors." Many of today's bible prophecy scholars believe our days are short. Come hear dynamic speakers talk about many different aspects of the "last days" including crisis preparation information which could prove invaluable at the right time. It is estimated that 25 to 30% of the Holy Bible concerns prophecy of end times. We can not, we must not ignore what God would have us know.

Don't miss the amazing teachings and encouragement of this end-times conference through the messages that will be delivered by some of our nation's most dynamic and knowledgeable Bible Prophecy scholars. Make plans now to join us at Little Cypress Baptist Church in Orange on March 22, 23 and 24.

No pre-registrations. All registrations will be "at the door".

No conference fee! However, a love offering will be collected to help with expenses.
